Stain Option

Over 15 colors to choose from.

Pre-Stain for wood fences is only available to brand new wood projects (before installation). This is due to the fact that each board is fully submerged in the stain, then expertly dried in a climate-controlled environment for maximum quality control and the ultimate protection for your wood fence.

1 year workmanship warranty from date of install.

Wood fencing is popular among property owners in Sarasota Florida, because of its customization ability in design, lower cost and versatility in function.
